Design Patterns, UML, MDSE, ...

Lean, Agile, Scrum, Iterations, DevOps, ...

Add AI/ML in everything...

What is a “model”? A paradigm shift...

Rashomon vs Occam

A low-angle photograph of a man walking on a concrete ledge in a modern city. The man is wearing a light blue shirt, dark pants, and glasses, and is carrying a dark bag. He is looking up at the sky. In the background, there are several tall glass skyscrapers under a clear blue sky. The concrete ledge he is walking on is in the foreground, and the buildings are in the background.
